Bridge
version 1, no. 1

Pillars

Torches

Directions

For Bridge:

1. Cut out structure including dashed lines.
2. Score and fold over bridge white bottom.
3. Score along the edge and fold down bridge sides.
4. Glue down tabs (A) to bottom.
5. Glue tabs (B) to bridge sides.
6. Score edges of wooded boards and tuck under tabs (C) and glue to bottom.

For Pillars:

1. Cut out structure including dashed lines.
2. Score and fold pillar into rectangle, gluing tab (D) to opposite side.
3. Fold down top of pillar, gluing to tab (E).
4. Glue the four pillars to side of bridge where marked.

For Torches:

1. Cut out torch including dashed lines.
2. Score and fold into upside-down pyramid, gluing tabs.
3. Glue each torch just below torch highlight on each pillar.
